## THE GLAD PATCH

Alfred N. Corrington

Normal, Illinois

Probably my last retail price list. I prefer to grow a few select varieties to sell wholesale. My usual high quality and guarantee.

This first group is priced prepaid on orders of \$2.00 or more. If your order includes bulbs from another group, not prepaid, I will include extra bulbs for transportation. 8 times 1 for 10 rate; 3 at 10 rate. 8 times 10 for 100 rate; 25 at 100 rate. DISCOUNTS, cash orders \$3.00, 15%; \$15.00, 20%; \$25.00, 25%.

PRAIRIE GOLD, the most satisfactory deep yellow I have grown. Strong, tall, upright spikes with 15 or more buds that lie close to the stem. Usually four, sometimes more, near five inch florets open. Florets are the deepest yellow. The tips and reverse of all petals are pencilled carmine. Broad, tall upright foliage. Rapid propagator.

RECOVERY, large light red, exhibition type. Tall, strong spikes, always straight, with nine open florets in the field. Award of Merit and blue ribbons aplenty. A real commercial as well as show flower. Produces lots of bulblets that germinate readily.

## E X C E P T I O N A L V A L U E S

In order to clear the way for my wholesale planting, I must eliminate a large number of extra good new varieties. I am very sorry this has to be done, but I can see no other way out. I hope this will hurt no ones' sales, but rather offer an opportunity to get started with some real good new ones at low cost.

First I quote my reduced price, and below it, the quantity of available stock. In the last column my lot price. Select as many as you want and the following discounts apply: \$10.00, 10%; \$25., 15%; \$50., 25%; \$100., 40%. 3 at the 10 rate; 25 at the 100 rate. Cash, F.O.B. Normal.
